About

Our hotel, located in the city center of Alanya and where you can see the sea view from all rooms, was established in 1992 and underwent a complete renovation in 2024 for our valued guests, gaining a unique appearance and comfort as of 01.05.2024. While we had 1 swimming pool before the renovation, we now have 2 swimming pools, one of which has a jacuzzi. While there was only a sauna before, now there is a complete Turkish bath. Our beach buffet, which previously had 4 tables with 16 chairs, was also renewed and the latest system consisting of 14 tables with 56 chairs began to serve as a buffet. .Ala carte restaurant, snack bar, patisserie and a comprehensive state-of-the-art gym, which were not in our hotel before, have also been added to our hotel. It has become a luxury hotel for our guests who dream of a dream holiday, allowing you to reach every detail you dream of effortlessly and in a very short time. It is 2 minutes away from Alanya city center and the pier area, known for its colorful nightlife and shopping opportunities, and only 20 minutes away from Dim River and its surroundings with its lush nature. Our hotel is located on the seafront and its private beach is accessible from a 30-meter road. Elysee Rive Hotel is waiting for you, our valued guests, to have a holiday that will make you feel like you are in heaven.
